

Dept. of Env't, Forests & Climate Change, Nagaland
Corrigendum Regarding Cancellation of Advertisement

Applications were invited for Engagement of Project based Temporary Positions under NMHS under the project "*Inventorisation of Floral Diversity, Augmentation of Carbon Sequestration Capacity and Conservation of Declining Life Support Forest Tree Species through establishment of Community Conservation Areas and Mass Plantation in Kohima District of Nagaland*", to be implemented in technical collaboration with G.B. Pant National Institute of Himalayan Environment and Sustainable Development, Kosi-Katarmal, Almora. The said advertisement was published in Eastern Mirror (Page 5 issue date 16th May 2020) and Morung Express (Page 3 issue date 16th May 2020). Due to unavoidable logistical and technical issues, the said advertisement is hereby cancelled.
